

Hello Eden Energy Medicine Students and Enthusiasts!

Many of you are in your first year of study and likely want to teach classes at your local YMCA, or to groups you are affiliated with, or even little classes in your home. We have a very robust teaching program (Eden Method Teacher Training) and we would encourage you to join it. However, you may be itching to go and teach right now, before entering that teacher training and without being authorized by us, because you are so excited about what you are learning. We get questions about this quite often, so we have developed some guidelines for you.

If you teach EEM protocols that you have studied with us in hands-on classes and/or on videos, please follow these guidelines:

- 1. Unless you have graduated from the Eden Method Teacher Program, and you are teaching the classes that we trained you to teach with the materials we supply, then you are not an authorized teacher. Therefore, you cannot advertise anywhere that you are authorized by Eden Energy Medicine, Eden Method, Innersource, or Donna Eden. We still request that if you are teaching or sharing our protocols, you credit Eden Method and Donna Eden as the source of what you are teaching.**

- 2. If you are a student, please be clear to those you are teaching about where you are in the program. If you are an enthusiast who has attended some classes or watched some workshops online, please be clear about that as well. Here are some of the options – use the one that best describes you:**
 - a. I have taken Level 1 of the Eden Energy Medicine Certification Program.**

- b. I am an Eden Energy Medicine Certified Practitioner (Minimum 2 years of hands-on study and a certified graduate.)**
 - c. I am an Eden Energy Medicine Clinical Practitioner (Minimum 3 years of hands-on study and a clinical graduate.)**
 - d. I am an Eden Energy Medicine Advanced Practitioner (Minimum 4 years of hands-on study and an advanced graduate.)**
 - e. I am an Authorized Eden Method Teacher (Minimum 2 years of hands-on study and a graduate of Eden Method Teacher Training.)**
- 3. You cannot use any Course Books or written materials from the Certification Program. This is part of your signed Student Agreement with the Eden Energy Medicine Certification Program. You must create your own material to use in any unofficial classes.**
- 4. Authorized Eden Method Teachers are allowed to use the approved materials provided to them as part of the Eden Method Teacher Training.**
- 5. Under no circumstances are you allowed to teach any of our Level 4 materials.**
- 6. Any time you are teaching protocols, techniques, and the work of Donna Eden, please credit Donna Eden and the Eden Method. This is also true for any images you might use from the EdenMethod.com website for advertising.**

We hope these guidelines provide some clarity for you. We encourage you to spread the word of this wonderful work we all love so much. Most people learn about us from someone else, so each class or conversation helps us all. We deeply thank you for your support AND please give credit where credit is due. When in doubt, please reach out to our Customer Service team and we will be happy to answer your questions.
